佳妤，您好！

感謝您對Google大學交流計劃的支持！

我們剛剛開放了Google Research Scholar研究計劃的申請，該研究面向 early-career professor，申請截止日期為2025年1月27日。

在上一個申請週期，有兩位來自NYCU的年輕學者獲得項目資助，感謝支持！如獲資助，項目經費以unrestricted gifts的形式支付到學校，供您參考。

煩請您查收如下具體信息，並請您幫忙分享給相關老師，如有問題，歡迎您隨時聯繫我們，再次感謝您的支持！

Kathy

=================

Google Research Scholar

This program aims to support early-career professors who are pursuing research in fields relevant to Google. The program provides unrestricted gifts to help support world-class research at institutions around the world conducted by early-career professors.

Eligibility criteria

- Applicants must be a full-time assistant, associate, or professor at a university or degree-granting research institution at the time of the application submission.
  - Post doctoral staff can only serve as a co-PI, not a primary PI.
- **Applicants must have received their PhD within seven years of submission** (e.g., applicants in 2024 must have received their PhD in 2017 or later).
  - We consider exceptions for applicants who have been teaching seven years or fewer and had delays, such as working in industry, parental leave, leave of absence, etc. This exception request can be documented on the application.
- Applicants can submit one application per round.
  - Faculty can only serve as a PI or Co-PI per round. Applicants cannot serve on two separate proposals.
- Applicants can apply a maximum of 3 times within the 7 years post-PhD.

Funding amounts

- The funds granted will be up to $60,000 USD and are intended to support the advancement of the professor's research.
